Winches

Stainless Steel Load Brake Winch

Versatile and compact, this robust, lightweight stainless steel hand winch is ideal for a range of lifting and pulling applications. Constructed from corrosion resistant 304 stainless steel, this winch is perfect for use outdoors and in corrosive environments.

Capacity:

545kg Pull/270kg Lift

820kg Pull/410kg Lift

1200kg/600kg Lift

Applications:

Food Manufacturing, Marine, Pharmaceutical.

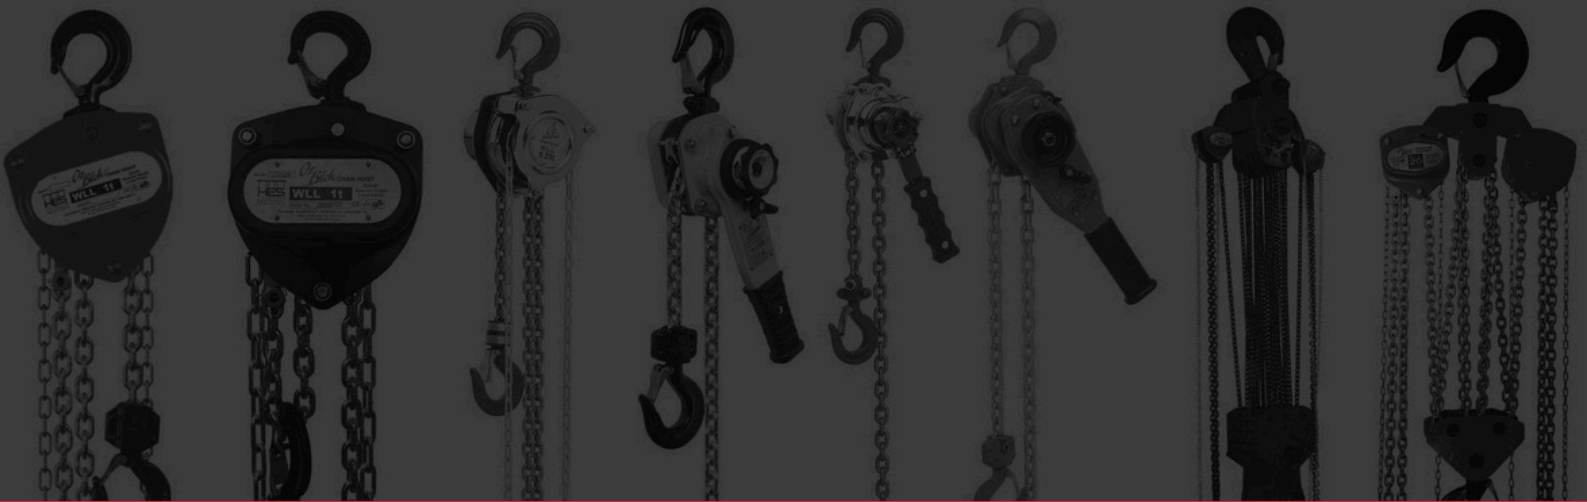

Complies with:

AS 1418.2

Product Features

- Comfort grip handle.
- Fully enclosed gear train.
- Automatic braking system.
- Grade 304 stainless steel construction.
- Convenient fixing points along the base.
